

Quality and safety policies

In **Procesadora de Granos Austral S.A.** we want to be a leading company in the national and international processed oats market for human consumption and valued by our customers, ensuring quality and safety in our flakes, flour and groats products complying with the requirements established by our clients and in accordance with the applicable legal and regulatory requirements.

To achieve this, we adopted the following commitments:

- ✓ Continuously improve our processes, product and efficiency of the Quality and Safety Management System
- ✓ Maintain effective internal and external communication channels
- ✓ Permanently improve the satisfaction of our customers
- ✓ Ensure that all employees are competent to fulfill their obligations and responsibilities

Procesadora de Granos Austral S.A. will provide the necessary resources for compliance with this Policy and the established objectives.
